

COVID19 PRECAUTION MEASURES

- COVID 19, has brought the World to a complete stand still. This has resulted in the closure of major economic activity. However, at Peerless Hotels, Aaheli Xpress, ensured we keep being hospitable.
- Keeping in mind the guidelines set forth by Government of India, the QSR Brand has adopted to all necessary precautionary measures to ensure food is served in a secured manner.
- Since 22nd March, till date we have served the following corporates; AIRTEL, MJUNCTION, BALMER LAWRIE, ICAS on a daily basis, feeding about 178 people.

COVID PRECAUTION MEASURES ADOPTED

- We are working with limited number of manpower, who are stationed at one of company's hotel since 22nd March.
- Our kitchen production team are presently at the hotel premise who are multi skilled in various cuisines,
- The next slide explains about our measures...

COVID PRECAUTION MEASURES ADOPTED

- Regular thermal checking & sanitisation of hand are done at entry point of the hotel. Apart from this, our kitchen production team is also maintaining distance while working.

COVID PRECAUTION MEASURES ADOPTED

- Raw materials in the kitchen undergo through three sink wash in potassium permanganate. After each session of breakfast, lunch and dinner thorough cleaning of the kitchen is done. Regular pest control is done to ensure that there is no trace of any dirty and food is prepared in a hygienic way.

COVID PRECAUTION MEASURES ADOPTED

- All food carry bags undergo sanitisation along with the delivery van. Before any order is delivered, the delivery person's body temperature is checked.

GIVING BACK TO SOCIETY

- At Peerless, we believe in giving back to the society, who have supported us through out, Through our properties in Kolkata & Hyderabad, we are working closely with Kolkata Police & Hyderabad Police to feed under privileged people who are the worst hit during the pandemic.
